Just what is the NWTF and what exactly do they do?

The National Wild Turkey Federation is a national non-profit Conservation organization dedicated to the management of the wild turkey and the preservation of our hunting tradition! Please don't take that lightly. We take our right to hunt very seriously and I am not just talking about turkey hunting. We have over 500,000 members across the country and into Canada and Mexico. We have raised millions of dollars for the betterment of the American wild turkey and for the right to keep hunting a viable sport in this country. Almost all of the money we raise is through our fundraising banquet program in each state. There are 7 of these banquets in Massachusetts and the "Pioneer Valley" chapter is having their banquet on March 14th at the Blue Bonnet Diner in Northampton. Most of the profit raised at this event will stay right in this area for habitat projects and other conservation related programs.

WE NEED YOUR HELP!

Your attendance at this event will show that you're a true conservationist! We guarantee you will have a great time as all of our returning guests always do! It truly is a fun evening packed with exciting raffles, prizes, and auction items. We encourage you to attend and bring your family and friends....the only thing we ask is that you register ahead of time so that we can get an accurate count and guarantee your meal.....Come check us out... Join our team... The wild turkeys need your help.

How can you help?

GET INVOLVED! Be a supporter of the wild turkey and join the flock!

Apathy is killing our sporting traditions....Don't let our rights slip away! Being a member of the NWTF is a great way to show you care about your rights as a sportsman or woman. With more people we will have a bigger voice and greater influence. Our chapter is looking for more folks to help us as well....It doesn't take a whole lot of time, but we sure could use some help and some new ideas. Feel free to contact us and let us know you care! Thank you and Best Wishes in 2009!
